

Trainings

Training sessions are organised by official category groups. Sub-groups are organised to allow for a more efficient organisation and work specific techniques in smaller numbers, with specific coaches.

A planning is displayed on the information board (at the ground floor entrance) and posted online at the beginning of each month, informing you of training sessions and events.

Official categories are determined by birth year

Kangourous: athletes born in 2017 and 2016

Benjamins: athletes born in 2015 and 2014

Pupilles: athletes born in 2013 and 2012

Minimes: athletes born in 2011 and 2010

It is not allowed to change categories if the age is not met.

Training gear:

- **Worn:** multi-sport sneakers, T-shirt, training shorts or training pants depending on the weather and a sport vest or jacket before and after the session. In cold weather: cap, neck warmer, gloves
- **In the bag:** A drink and a small snack
If you're a competitor, also bring one solid marker object for jump run-ups, and spikes (track shoes)

Training schedule:

Wednesday: from 17h00 to 18h30

Saturday: from 09h30AM to 11h00AM

Access to the track

Due to the number of athletes involved in the two BPM training sessions (from Kangourous to Minimes) **it is mandatory to park on the Football club parking lot**, behind the track.

The front parking is reserved for coaches, staff and emergency services.

Athletic seasons:

An athletic year starts in November and ends in October. It's divided in two seasons:

- **Winter Season:** from November until end of March, during which indoor and cross-country competitions take place.
- **Summer season:** from April until end of October, during which outdoor competitions take place.

The change of category takes place beginning of November, with the start of the Winter season.

- During the September « back to school » period, the summer season begins to end
